Scottish Country Dancing in beautiful Menorca

These Scottish Country Dancing Holidays offer top quality dancing tuition, a lovely hotel, and a superb poolside dancing venue in a beautiful Mediterranean location. This combination makes for a very special dancing experience...

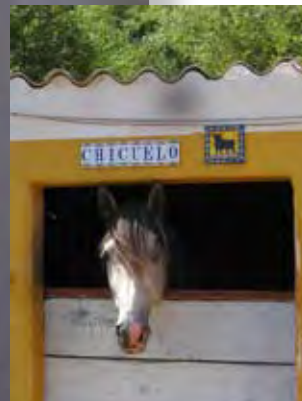

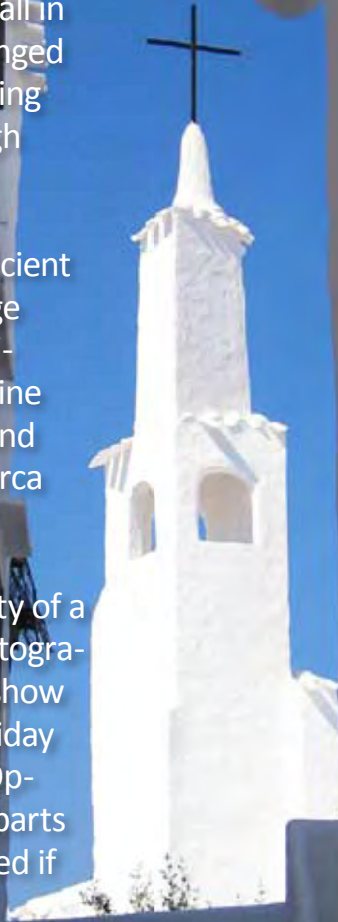

and there's an extra ingredient – these dancing holidays are GREAT FUN!

Even the most dedicated dancers cannot dance all day and all evening.

Well, there's lots to do in beautiful Menorca. The island is a World Biosphere Reserve and there are many lovely walks from your hotel. Car & bike hire, bowls, tennis, indoor & outdoor swimming pools - it's all in S'Algar. We have even arranged horse riding and private flying sessions when given enough notice.

Menorca is noted for its ancient history, and many stone-age settlements remain. Beautiful white-walled villages, wine tasting, magnificent flora and astonishing wildlife - Menorca has it all.

You will have an opportunity of a walk with professional photographer Philip Dunn who will show you how to take better holiday photos - absolutely FREE. Optional coach trips to other parts of the island can be arranged if there is enough interest.
